Health Benefits

Provided through
Generali Assurance
Générales SA

A Generali Company

Redion Employee Benefits partners with Generali Assurance to offer Health insurance products in Switzerland. Generali has been active in the Swiss market for over 80 years through mergers and acquisitions with leading local companies. In 2000, Generali Group Switzerland companies established a new head office in Adliswil, and completed their integration into the global Generali Group in 2006 creating even greater financial stability and opportunity for growth and innovation. Generali Assurance Générales SA offers Group Accident, Short and Long Term Disability Insurance, and Loss of Income insurance, all of which include programmes to support the return to health after injury and ongoing medical case management.

Medical Plan Management

Key capabilities include:

- Coordination of private benefits with public health system;
- Dedicated medical case management team providing assistance for complex care including case assessment and treatment options (coordination of Medical Second Opinion);
- Support for pre/during/post hospital admissions, including payment questions and post-hospital discharge planning (e.g. coordination of home healthcare, durable medical equipment, prescriptions, etc);
- Ongoing complex case tracking/monitoring and employer reporting.

Health & Wellbeing Programmes
